Re: Amended October Quarterly Report (8/21/2014-9/30/2014)

Dear Ms. Grainger:

This letter is in response to the Commission's request for additional information related to apparent excessive contributions as disclosed on Schedule A of the above referenced report filed by Carol Shea-Porter for Congress (the Committee).

The Committee refunded the excessive contributions made by Charles S. Rodgers and Judith L. Wagner on December 20, 2014.

The refunds will be disclosed on the Committee's 2014 Year-End Report.

With regard to seemingly excessive contributions by committees (Committee for a Livable Future, United Steelworkers Political Action Fund), the election periods reported for the most recent contributions by each of these committees were inadvertently entered into the Committee's reporting database with the incorrect election designations. The election designations have been updated and an amended report will be filed.

Should the Commission have any further questions, please do not hesitate to contact the Committee.

Sincerely,

William Duncan  
Treasurer
